

Introducing the new way for small businesses to hire

LinkedIn Hiring Pro

Find candidates you can't find anywhere else with LinkedIn Hiring Pro — powered by the world's most dynamic professional network.

Unlock the power of the LinkedIn network

LinkedIn Hiring Pro leverages LinkedIn's vast and dynamic professional network, to find candidates your business would otherwise miss.

Did you know that 80% of LinkedIn users haven't visited another leading job site in the last year?

And with 171 million LinkedIn members not actively seeking new jobs — but being open to new opportunities each week — **the potential to connect with hidden talent is immense.**

"We used LinkedIn Hiring Pro to hire a new account manager, and the results exceeded expectations. The intelligent prompts helped us move faster, find better candidates, and ultimately hire someone who's been a game-changer for our agency."

Michael Fleischer
Founder, Big Fin SEO

Get insights you can't find anywhere else.

LinkedIn Hiring Pro uses real-time professional data like skills, experience, and career activity so you're not relying on resumes alone.

LinkedIn Hiring Pro leverages data and insights from the LinkedIn network that you can't find anywhere else and evaluates against the criteria you've set for your role to deliver a shortlist of only the right talent.

Plus, you can trust that quality is never compromised. In fact, **when you hire with LinkedIn, you're 24% less likely to reopen a role.***
